Rain! Beautiful, refreshing rain! "Thank you, Lord, for the rain!" The Lord provides...but sometimes we wonder, don't we. It's been dry and hot for so long! Did we just now need the rain? Was God trying to teach us something? Or was it just all a matter of "nature"? Sometimes we have similar questions about life circumstances more important than rain. We'll visit about that this morning.

We are pleased to announce that **Margie Thetford** will begin work tomorrow as our new church secretary (her official title is "executive assistant"). Margie brings a wealth of experience to the church office. She's going to need a few days to "settle in," but she's available to assist and support the church family.
